In the last six (6) months, I have visited with each child on this case, in person, at least monthly. Yes No, if 'No' explain below

Explanation:

During the life of a case, the CASA/GAL is required to accomplish all items listed below. This is a checklist to help you keep track of your compliance with Rule 48 requirements. In addition, you are expected to attend every Court hearing and LCCS staffings.

- I have met each child on this case.
- I have met and interviewed every parent, alleged parent, or custodian (from whom the child was removed).
- I have met and interviewed the child's foster, relative or free home caregiver(s).
- I have observed each child with his/her parent(s), foster parent(s), guardian or physical custodian and conducted at least one interview with each child where none of these individuals was present.
- I have ascertained the wishes of the child(ren) by asking the child directly and have (or will) inform the court of those wishes.
- I have reviewed (and obtained copies when needed) all criminal, civil, educational, and administrative records pertaining to the child and, if appropriate, reviewed records regarding family members or other parties.
- I have interviewed school personnel, medical providers, child protective services case workers, mental health and other service providers relevant to the case.
- I have performed any other investigation necessary to make informed recommendations regarding the best interest of the child(ren) to the court and I have submitted written reports to the court including those recommendations.
